

24th annual

Machines & HV Assets 2026

10 - 11 June 2026

Melbourne Convention and
Exhibition Centre | Australia

Part of:

**AUSTRALIAN
ENERGY WEEK**

Where transponders, data, and diagnostics are redefining reliability

Partnership Prospectus

"Great collaborations and discussions - relationships formed quickly, and therefore 'community' atmosphere of the M&HVA conference was great."

(2025 attendee from Secora)

Endorsed by:

Organised by:

Australia's leading **Machines & HV Assets** event returns

For 24 years, **Machines & HV Assets** has been the trusted meeting place for Australia's high-voltage and rotating machinery community.

Returning to Australian Energy Week in 2026, it connects you to the entire energy value chain, from design and maintenance to the digital transformation of HV operations.

This is the forum for engineers, asset managers, and innovators shaping the future of machine and high-voltage asset performance.

Discover how transponders, sensors, and AI-driven insights are transforming reliability, maintenance, and safety across Australia's power, industrial, and mining sectors.

*Machines don't fail overnight; they warn us first.
Are you listening?*

Join **Machines & HV Assets 2026** and take the next step toward truly intelligent reliability.

"So many great presentations! The most useful ones related to how technology is changing the way in which assets are being managed."

(2025 attendee from Ventia)

Who will you meet?

Machines & HV Assets 2026 is designed for engineers, asset owners, high-voltage and rotating-machine professionals, and reliability leaders shaping the next generation of energy infrastructure.

Attendees will include:

- Electrical engineers
- Asset & reliability managers
- Maintenance leaders
- Technology innovators
- HV specialists
- Utilities
- Mining & heavy industry operators
- OEMs & service providers

Key Themes:

- **Transponders & connected asset intelligence:** Harness real-time machine data and network telemetry to predict faults and coordinate performance across HV systems
- **AI-driven diagnostics & digital twins:** Integrate analytics and modelling tools that prevent failure and optimise lifecycle outcomes
- **Maintenance, testing & life-extension:** Advance from reactive to condition-based maintenance using vibration, discharge, and transponder-derived insights
- **Reliability, risk & safety:** Strengthen defences against arc-flash, insulation ageing, and operational hazards
- **Standards, compliance & electrification challenges:** Stay aligned with evolving HV testing protocols and industry regulations as electrification accelerates

2025 Speakers included:

Ian Stegmann
Manager - Energy & Systems
Readiness
Fortescue

Praema Ranga
Product Services Manager
Boeing

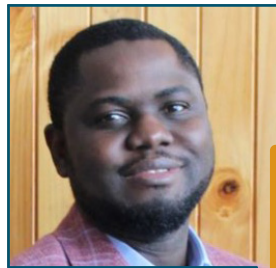

Iain Mackenzie
Chief Electrical Engineer
Woodside Energy

Shantanu Kumar
Principal Electrical Engineer
BHP

Kalpesh Patel
Senior Electrical Engineer
Alinta Energy

Victor Edo
Senior Electrical Engineer -
Major Capital Projects
Alcoa

Why leaders and decision makers will be at Machines & HV Assets 2026

- 1 Gain the practical know-how to design and deploy connected asset strategies that reduce downtime and increase reliability
- 2 Build capability to interpret condition-based data and implement predictive maintenance programs in your own operation
- 3 Learn how to assess, plan and execute life-extension strategies that deliver maximum return on asset investment
- 4 Apply the latest regulatory, technical and safety standards to protect people, equipment and reputation
- 5 Learn how to design maintenance programs that cut unplanned outages and improve productivity
- 6 Identify performance gaps and implement proven, peer-tested solutions for reliability improvement
- 7 Grow your professional network, exchange real-world lessons, and advance your technical development and career credentials

Why partner?

As a sponsor, you'll connect directly with the engineers, asset owners, high-voltage and rotating-machine professionals, and reliability leaders shaping the next generation of energy infrastructure.

Showcase your innovations in transponders, diagnostics, and connected-asset intelligence to a highly technical audience looking for practical solutions.

Align your brand with excellence, insight, and the trusted event that has defined this community for 24 years.

Partner with **Machines & HV Assets 2026** and put your expertise where Australia's most critical asset decisions are made.

The event offers numerous opportunities for sponsors to network, share their expertise, and build their reputation as thought leaders in the industry. This is your opportunity to:

Raise your visibility and be recognised as an expert in Australia's high-voltage and rotating machinery community

Machines & HV Assets 2026 positions your organisation as a thought leader in front of engineers, asset owners, high-voltage and rotating-machine professionals, and reliability leaders from across Australia

Increase reach

Use ours! **Machines & HV Assets 2026** marketing reaches over 10,000+ unique, targeted contacts - join our campaign early and benefit from 4+ months of brand awareness.

Meet the right people

With multiple networking opportunities across the 2 main conference days, you can expand your network and socialise with existing and prospective clients. We target the key influencers and decisionmakers and you grow your community through authentic, meaningful interactions across the event.

Launch new products or services

Showcase new and innovative products and services to an interested and influential audience of senior decision-makers actively seeking solutions.

Build your brand

Machines & HV Assets 2026 offers brand recognition opportunities to position your company as a trusted brand and market leader.

Through consultation with our in-house marketing strategists, we will tailor a plan to suit your objectives, whether they involve thought leadership, branding, lead generation, specific one on one meetings or a more social networking event.

Sponsorship opportunities

GOLD SPONSOR

- 20-minute Presentation **AND** 40-minute Panel Session
- 3x3m exhibition space
- 6 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

25k

SILVER SPONSOR

- 20-minute Presentation
- 3x3m exhibition space
- 4 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

22k

BRONZE SPONSOR

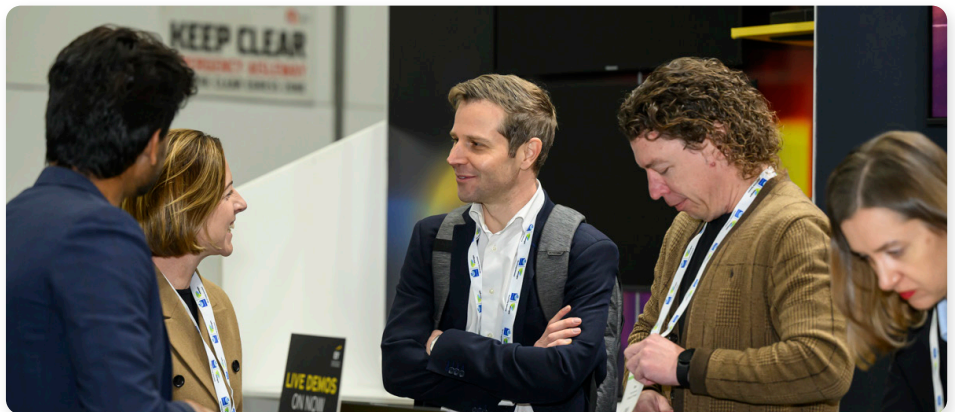

- 40-minute Panel Session
- 3x3m exhibition space
- 3 X 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$19k

EXHIBITOR

- 3x3m exhibition space
- 2 x 2-day Conference Passes
- Access to attendee list
- Strong company branding before, during & after event

\$12k

Investment rates are in Australian dollars and GST exclusive

We only work with a few select partners to maximise mutual value and these are only our basic package options.

To obtain a more bespoke package including sponsorship opportunities such as a coffee cart, networking drinks, lanyards, or any other ideas you have, please contact us to discuss how we can help you connect with your ideal audience.

If you'd like to become an exhibitor, sponsor or speaker at the event contact
